The image shows a medical software interface for patient Wong, Grapes. The top navigation bar includes 'Clinical', 'Administration', and 'Information'. The patient's name 'WONG, GRAPES' and HKIC No. 'UH977312(7)' are displayed. The 'Radiology Record' section is active, showing a table of examinations. A red box highlights the 'Document View' button, with a red arrow pointing to it and the text 'Click here to go to Document View'. An orange arrow points from this button to the 'Document View' section of the interface below. The 'Document View' section shows a list of radiology documents on the left and a large empty area on the right for viewing the document content. The 'Radiology Record' table contains the following data:

The image displays two screenshots of a medical software interface, illustrating the process of viewing a document. The top screenshot shows a list of documents in the 'Radiology Document' section. A red box highlights a vertical slide bar on the left side of the document list, with a red arrow pointing to it from the text 'Click on the slide bar to show the navigation tree'. An orange arrow points from the document list towards the bottom screenshot.

The bottom screenshot shows the 'eHR Document Viewer' interface. The navigation tree is now visible on the left side of the document viewer, listing various medical records such as Birth Record, Encounter / Appointment, Problem & Procedure, Medication, Laboratory Record, Radiology Record, and Immunisation Record. The slide bar on the left is now labeled 'Hide Navigation Tree'.
